INVESTMENT BANKING

Department: Investment Banking

Type of employment: Full-time

Type of contract: Unlimited

Location: Frankfurt or Hamburg

CHALLENGE YOURSELF: You eat, sleep and breathe equities as much as we do and feel it is time to proactively shape your professional future? HA Investment Banking is growing fast and we are aiming to expand the breadth and scope of our DACH-focused Small and Mid-Cap Equity Research team. What we are ultimately looking for is an experienced equities analyst with

- A passion for capital markets and companies,
- Lots of curiosity,
- An ability to think out of the box and be creative,
- A strong desire to perform and add value to institutional investors.

You are also a team player, outgoing, hard working, keen to learn and develop and determined to build your own franchise with international blue-chip institutional investors.

Experienced Equity Research Analyst (m/f/d)

Your Responsibilities:

- Create and maintaining financial and valuation models
- Write timely, creative and commercial research reports in English where you articulate a fact & data-supported opinion on your stocks to be published to the investment community
- Devise and perform your own primary research methods, keeping abreast of trends in the sectors your cover and sentiment in the market
- Maintain constant coverage of industry-related news, trends, and developments
- Build relationships with management and the investor relations teams of your portfolio companies
- Interact with institutional investors to pitch investment ideas, inform on latest developments as well as respond to requests for models and ad-hoc analysis
- Represent our firm at conferences/events and help building our brand and develop business relationships

Basic Qualifications:

- Bachelor's Degree preferably in Business Administration, Finance, Economics, Financial Engineering, Statistics, or Econometrics with strong academic track record
- CFA is a plus
- Fluency in German and English, additional language preferred
- Excellent written and verbal communication skills
- Over 2 years of full-time professional experience in equity research

What We Offer:

- Work in an exciting industry and within a fast growing investment bank which has kept its start-up character
- A dynamic team with flat hierarchies that truly works together in order to realize opportunities in the equity market
- High responsibility for your own cluster from day one including the selection of appropriate coverage candidates and the marketing of investment ideas to our sales team and institutional clients
- A strong monetary incentive, based on your performance
